

INSPECTION SERVICES REQUEST FOR PROPOSALS
Questions/Additional Information/Clarifications

Please see the response to the following questions that were asked prior to the February 15th, 2011 deadline for receipt of request for additional information /clarification.

1. The term for the contract -- Item 1.3 in the request for proposal has expired dates.

Yes, the date for the commencement of the contract contained in Sec. 1.3 of the RFP is incorrect. The term of the contract shall be from the date it is executed by all parties until the end of the current City's Federal entitlement fiscal year, which is currently March 31st, 2011. The contract will contain an option to renew for two additional 1 year periods.

2. What will be the maximum and minimum amounts awarded?

The maximum awarded amount shall be determined by the City upon the review of the applications submitted, the per unit cost stipulated by the winning proposal(s) and the estimated amount of inspections that the winning proposal(s) is committed to performing. This will be compared to the estimated amount of inspections that the City anticipates conducting in a specific period of time.
